## SKILLS

**Personal:** great communication,  
self-learning, and teamwork.

**Computer:** HTML, CSS, Bootstrap,  
JavaScript, MySQL, PHP, Laravel,  
Java, network installation  
(Switches, Routers, Cables,  
Connectors and Cameras),  
Computer Maintenance and  
Microsoft Office Applications.

**In the future,** I intend to complete  
backend with asp.net and frontend  
ReactJS.
